### Appendix 1: Role Card Examples

**NB: The role cards need to be linked with the qualities used in the energizer.**

|   |  |   |
|---|--|---|
| You do not like meat-eaters. You will work only with vegetarians  | You prefer positive atmosphere and do your best to make everyone laugh while working                   | You stay on your own and observe without doing or saying anything   |
| You speak only in your native language and refuse to find any common language to speak with other people  | You are shy and usually do what others tell you to do.   | No matter what, you follow the leader.  |
| You do not like people wearing jeans. You do not talk and do not work with them   | You tell everybody that they should discriminate against people wearing something white.               | You are responsible for the hot drinks. Go to the staff and ask for coffee and tea. Do not give coffee and tea to boys. |
| You discriminate against left-handed people as you believe that they work slowly. You tell everyone that they should avoid working with left-handers for efficiency reasons | You are an only child and do not communicate with people who have siblings                             | You get angry when something unfair happens and you try to help.  |
| You like to take the lead in any situation. You do not take advice from anyone and refuse to work in case it does happen your way   | You discriminate against whoever is wearing something black. You do not talk and do not work with them |   |
